PERSONAL EXPLANATION

Mrs. NAPOLITANO. Mr. Speaker, I was absent during rollcall votes No. 334, No. 335, No. 336, No. 337, and No. 338 due to my spouse's health situation in California. Had I been present, I would have voted “nay” on the Hudson Amendment. I would have also voted “nay” on the Barr Amendment. I would have also voted “yea” on the Democratic Motion to Recommit H.R. 1215. I would have also voted “nay” on the Final Passage of H.R. 1215—Protecting Access to Care Act of 2017. I would have also voted “yea” on H.R. 1500—Robert Emmet Park Act of 2017.

RECOGNIZING THE CENTRAL ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to recognize the Central Association for the Blind and Visually Impaired.

Established in Utica in 1929, CABVI, as it is known, provides a wide range of opportunities for the blind and visually impaired, helping them to acquire job skills and training, good wages and benefits, and a greater independence and quality of life.

In their important mission, CABVI employs a segment of our population that experiences among the highest levels of unemployment in the country.

CABVI also provides vital health and rehabilitation services for people experiencing vision loss. Their resources and services have improved the quality of life for many in our region, including my late father who spent the last 7 years of his life legally blind and confined to a wheelchair. My family is forever grateful to them for their care and kindness.

Today I was honored to welcome to Washington my good friend Rudy D'Amico, president and CEO of CABVI; Robert Porter, public policy director; and Leta Laukitis, executive assistant. Joining them from the southern tier, colleague Ken Fernald, CEO of the Association for Visual Rehabilitation and Employment in Binghamton, New York. All joined by Jennifer Small, chief operating officer; John Ellzey, assistive technology instructor; Katie Lawson, switchboard operator; and Chervelle Amaker, purchasing agent and buyer.

Mr. Speaker, I thank them for their important work and their continued dedication to our community. I look forward to continuing to advocate for them throughout my time in Congress.

LET'S GET IT DONE

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Mr. Speaker, yesterday, Senate Republicans delayed a vote on their bill to repeal the Affordable Care Act. This is a bill that Republicans wrote in secret. They allowed no input from the public or members of the Democratic Caucus, yet they still could not find the votes to pass their bill.

Maybe that is because it eliminates health insurance for 22 million Americans; it imposes an age tax on older Americans; it allows insurance companies to discriminate based on pre-existing conditions; it slashes Medicaid and leaves Medicare to wither on the vine. But no matter the reason, the lesson is clear: it is time for Republicans to give up on their effort to repeal the Affordable Care Act.

The American people are benefiting from this law. Seniors like that they are saving money on prescriptions. Parents like that their kids can stay on their plan until they are 26. Workers

like that their employers have to offer healthcare coverage.

It is not perfect, but let's work together to approve the Affordable Care Act to make sure it works even better for the American people. Democrats are willing to do that. If Republicans will give up the idea of repeal, we can work together to make the Affordable Care Act even better. Let's get this done for our constituents and the American people.

WAYZATA GIRLS CHAMPS

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to congratulate the Wayzata High School girls synchronized swimming team, who recently won the Minnesota High School State Championship.

The Trojans triumphed at the State meet last month, where the undefeated team earned the championship title for the 11th consecutive year. They faced tough competition, but Wayzata's excellent figure scores put them over the edge to secure the win.

This talented team of dedicated girls, led by Head Coach Hensel, worked hard all season, winning each of their meets by at least 11 points. That commitment didn't stop at the pool. It is also in the classroom, where each of these students excelled as well.

Mr. Speaker, congratulations to all the members, athletes, students, teachers, coaches, families, and fans of the Wayzata High School girls synchronized swimming team on their outstanding performance this season.

TAX BILL DISGUISED AS A HEALTHCARE BILL

(Ms. MICHELLE LUJAN GRISHAM of New Mexico asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I am angry.

I am angry that Republicans are trying to fool the American people. The Republican healthcare bill is nothing more than a tax bill disguised as a healthcare bill.

TrumpCare is an almost \$570 billion tax break for health insurance companies, pharmaceutical companies, and the extremely wealthy. It is a bill that asks working families to pay more for less: less coverage, less access, and less care.

Recently, a concerned constituent called my office after discovering that his son would need surgery at birth for a heart defect and then subsequent surgeries later on. He wanted to know what he could do to stop TrumpCare and protect his son, who would be born with a preexisting condition and face thousands of dollars of cost throughout his life.

Mr. Speaker, let's pass healthcare legislation that invests in and protects the healthcare of all Americans, holds the healthcare industry accountable, and lowers cost.

1-YEAR ANNIVERSARY OF DALLAS POLICE SHOOTING

(Mr. BURGESS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURGESS. Mr. Speaker, July 7, 2016, is forever marked by the sadness and loss our community suffered when five Dallas police officers were gunned down in the deadliest attack for law enforcement in the United States since the September 11 attacks.

These officers were killed as they protected Dallas citizens exercising their constitutional right to protest. They put their own lives on the line for the safety of others.

Reflecting on the events of last July 7, what stands out to me is the heroism of those who answered when duty called and a community that banded together during this tragic event. We are in the midst of an environment that can be deeply divided. We should all seek to follow the example of the Dallas community.

I want to acknowledge former Dallas Chief of Police David Brown and offer my sincere gratitude for his leadership; as well as the Dallas Police Department; first responders; the Parkland hospital; Baylor University hospital, where this iconic photograph was taken, for providing excellent emergency care; and others who helped the victims of this attack.

Mr. Speaker, we must recognize the sacrifice of the men and women and the critical role they played to protect our communities.

RECOGNIZING KELLY CRAFT AS U.S. AMBASSADOR TO CANADA

(Mr. COMER asked and was given permission to address the House for 1 minute.)

Mr. COMER. Mr. Speaker, I rise to applaud President Trump's selection of Ms. Kelly Craft as the next U.S. Ambassador to Canada.

Canada is the number one export market for my home State of Kentucky. Agriculture is the major industry in my congressional district, and Canada is a critical export market for Kentucky farm products. As a result of our successful history of trade with the nation of Canada, I cannot think of a better person to lead relations between these two countries than my dear friend, Kelly Craft.

Kelly was raised in Glasgow, Kentucky, which is 30 miles from my hometown. She has a lifetime of achievements and is extremely qualified. On a personal note, Kelly has always been there for and believed in me, and I am very appreciative of her support and friendship.
